Phone: +1 437 219 4273

Email: nikobusiness144@gmail.com

Objective

To achieve the ultimate goal of becoming the owner of an investment fund with a capitalization of one billion by excelling in the fields of trading, investments, and artificial intelligence.

Education

Uzhhorod National University

Major: Law

2019–2022

Work Experience

Customer Assistant

PUMB Bank, Ukraine

July 2022 – July 2023

Assisted customers with account management, transaction processing, and resolving banking inquiries. Excelled as one of the top performers in online chat support, consistently providing quick and effective solutions.

Delivered outstanding in-person customer service, ensuring a high level of satisfaction and maintaining positive client relationships.

Supported the sales team by promoting bank products and services to customers.

Warehouse Worker

MEEST Post Company, Canada

June 2024 – October 2024

Managed the sorting and processing of parcels and packages.

Maintained accurate inventory records and ensured timely dispatch of shipments.

Collaborated with team members to optimize workflow and improve efficiency.

Self-Employment

CS 1.6 Server Creation

2012–2014

Developed and managed a game server.

Sold VIP rights and monetized the game server.

Successfully attracted users and maintained an active player base.

DOTA 2 Info Channel

2015–2017

Created and managed a news channel with an audience of 500-700 members.

Organized and conducted contests for subscribers.

Ensured regular interaction with the audience and produced high-quality content.

Online Candy Store “Hata with Sweets”

2018–2022

Co-managed an online store for selling sweets.

Set up advertising campaigns to promote the store on Instagram.

Consulted clients, processed orders, and provided customer support.

Closed the business due to the situation in Ukraine.

Owner of a cryptocurrency market analytics telegram channel with 1200 members.

2021–Present

Managed a team of traders and analysts.

Traded and invested, managing over \$150,000 in client funds.

Developed strategies and analyzed cryptocurrency markets.

Managed a paid chat with 470 members, providing analytics and consultations.

Achievements: 400% quarterly return; successful investment management since late 2021; purchased Bitcoin at \$16,000 in late 2022 and held positions.

AI Integration in Projects

2022–Present

Regularly use artificial intelligence for personal development and projects.

Develop detailed prompts for two YouTube channel projects, enhancing content quality and production.

Rely on AI tools for market analysis, trading strategy refinement, and writing comprehensive analytical reports for clients.

Utilize AI for image generation and creative applications, ensuring innovative and visually appealing outputs.

Skills

Professional
